Save Time ~ Locate Art Conveniently

Use Infinity Art Gallery's Artist Portfolios as your tool to find artists. From the comfort of your home or office, or where ever you have an internet connection, you will see the best and newest work created by contemporary artists working in a variety of mediums. Whether you are looking for artists to

represent, artwork to display, art to collect, art for commercial projects or art for public spaces, IAG Artist Portfolios is your growing and evolving art resource.

Visit IAG Artist Portfolios on your schedule, in your preferred environment and attire, and with your favorite background music and refreshments. Like a hard copy portfolio, these high quality portfolios offer exposure for artists by presenting a selection of their best and most recent work as well as their biography, an artist statement, outstanding achievements and upcoming exhibits. The difference is **you don't put out a call for artists, you don't have a pile of portfolios sitting on your desk, and you don't have people walking in your door requesting a moment of your time.** The Artist Portfolios are there for you when you are ready - 24/7.

As always, **Infinity Art Gallery facilitates the connection between art professionals and artists** by providing direct links to artist websites. Infinity Art Gallery receives no commission from the sale of artwork and receives no finders' fees for connecting artists with galleries and museums. Commissions may occur if artists are represented by brick and mortar galleries or if they have sales representatives; IAG encourages artists to honor these well earned relationships.

Upcoming Exhibits:

Art Quilts

ENTRY DEADLINE: April 15, 2010

ENTRIES ACCEPTED NOW

PRE EXHIBIT SHOW: Opens April 5, 2010

GRAND OPENING: May 15, 2010

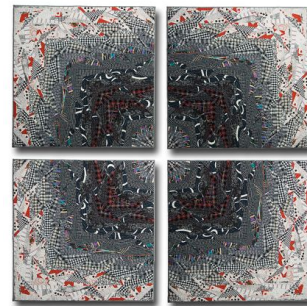

Art Quilt Jurors:

Trisha Hassler

Gwendolyn Magee

Libby Mijanovich

QUALIFIED ARTWORK:

Open to all artists utilizing the quilt medium. The definition of a quilt is three layers of fabric joined together by a needle and thread and all art quilts falling within this guideline qualify for submission. We are also open to artistic interpretations of the quilted medium and will accept submissions to the extent that all work must have a minimum of 2 layers of material. There are no restrictions on the type of materials used to create layers, the materials used to stitch layers together, or the method of stitching.

Finalists will be selected for artistic excellence.
